

Uniform Check List

- 1) List out each different job type that you need to provide uniforms for (ie Office, Warehouse, Drivers, etc)
- 2) Check to see if they have any special requirements (ie HiVis safety gear, pants with lots of pockets, etc)
- 3) List the styles of garments that each job needs (ie Warehouse = Drill Pants, Polo Shirt, Polar Fleece Jacket)
- 4) While you are browsing through the catalogues, note down the Brand, Style Number and any other Notes (ie Colours, Sleeve Lengths, etc) of any garments that you are interested in.
- 5) Contact us and we'll provide the pricing and any other information that you need to proceed.
